Management System**

6th December 2023

9:00 am - 5:00 pm

Computer Lab

Organized by IQAC

Sponsored by DCE Kerala

Dear Sir/Madam,

The Internal Quality Assurance Cell, T M Jacob Memorial Government College, Manimalakunnu proposes to conduct a workshop in Learning Management System on 6th December 2023. We solicit the presence of all faculty members of the college.

Dr Manilal K
Principal

Dr Radhakrishnan A N
IQAC Coordinator

Objective of workshop

A Learning Management System in Education is essentially a software tool used to deliver learning content and other resources to learners. The popularity of LMS in teaching is attributed to the ease that it offers to teachers and instructors in delivering study material, monitoring learner participation, and assessing performance. In today's era, LMS has become an integral teaching tool and is no more a luxury but a necessity. Moodle is one of the most popular LMS applications and is very appropriate for e-learning. Moodle has various features that are able to support student activities online. The objective of this LMS training programme is to enhance the understanding of teachers on the Learning Management System based on Moodle and the availability of resources, in order to enrich the classroom experiences.

NB: It is advisable to bring your own laptop for better participation.

Resource persons
